## A New Twist!

Our NEW Sticky Back Posters are re-positionable! Made with a removable, adhesive backing, these posters may be repositioned again and again without leaving a sticky residue or losing their adhesive qualities! This remarkable material may be used on multiple non-porous, smooth, and slightly textured surfaces such as walls, windows, floors, counter-tops, and more. And it's even washable! Once washed and left to air dry, Sticky Back Posters may be reapplied. Perfect for both indoor and outdoor surfaces, the applications are endless!
