

Welcome to the S&P Gateway!

StickersAndPosters.com has developed a simple way for you to integrate with us by sending manual orders, direct!

Through this gateway, you will be able to place your customers' orders manually and drop ship directly to them, via our white label packaging.

Our Gateway also allows our partners to order free samples of our stickers, posters, gift wrap, table runners, Greeting Cards, and Postcards.

The S&P Gateway is the perfect way to launch your new stickers, posters, and gift wrap e-commerce business! Of course, we strongly encourage all of our business partners to fully integrate with us via our API but understand a complete integration may take some time and want to share an easy way for you to get started now!

We look forward to having you onboard!

STEP ONE: Navigate to <https://sandpgateway.com/> and click the “Get Started” button.

GET STARTED

STEP TWO: Create your account! After clicking “Get Started,” you will be directed to a new page where existing partners can log in and new partners can create an account. Simply scroll down to enter your information to create your new account.

Once you have submitted your information, our team will review your request and grant your access. You will know your submission was successfully submitted when you receive our email confirming receipt of your request to join the S&P Customer Gateway. If you do not receive confirmation, please [CONTACT US](#).

We appreciate your patience during our review process and make every effort to approve new account requests as quickly as possible!

The confirmation email you receive will look like this.

Thank You for your Interest in the S&P Gateway!

Before granting access, please give us a minute to review and approve your account. We will be in touch shortly.

[Back to home](#)

STEP THREE: Activate your account! Upon our approval, you will receive an email inviting you to activate your new account! Simply click the “Activate your account” button in the body of the email to get started.

Decline Invitation

STEP FOUR: Once you have successfully activated your account, you can begin selecting the products you wish to add and upload images for each!

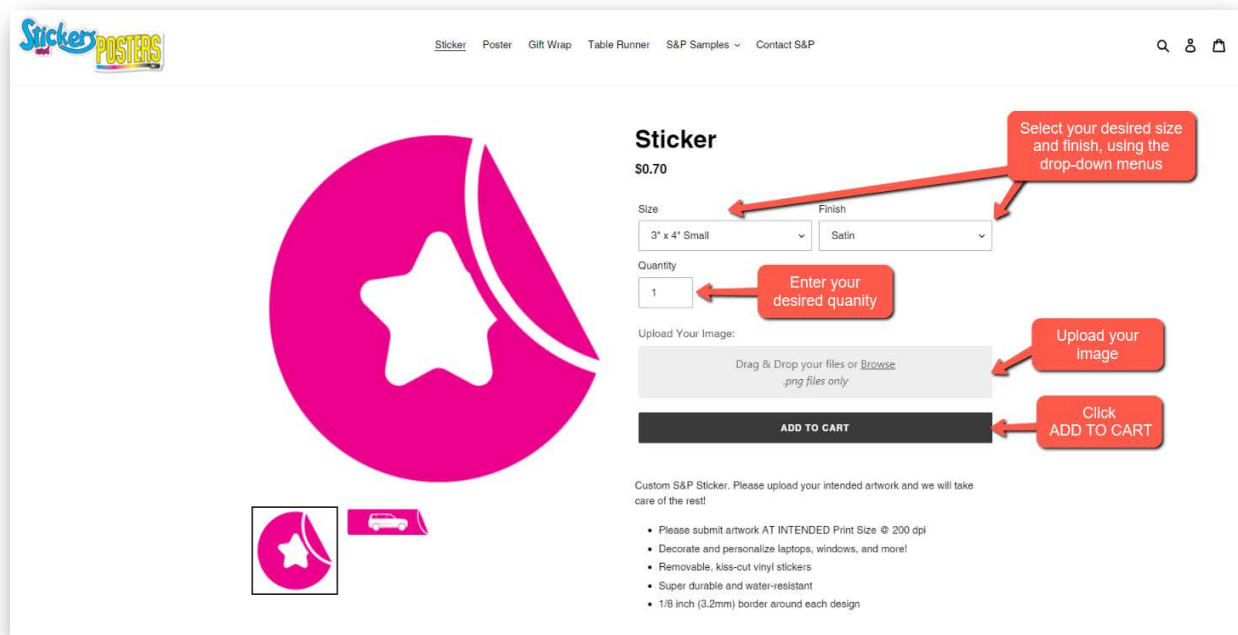

For example, if you wish to add stickers, click on the Sticker option. From here, simply select the desired size in the drop-down menu.

Then, enter the desired quantity and upload the image you want to feature in your design.

For optimal results, please upload your image file in a .jpeg or .png format.

Once you have previewed your design, simply "ADD TO CART!"

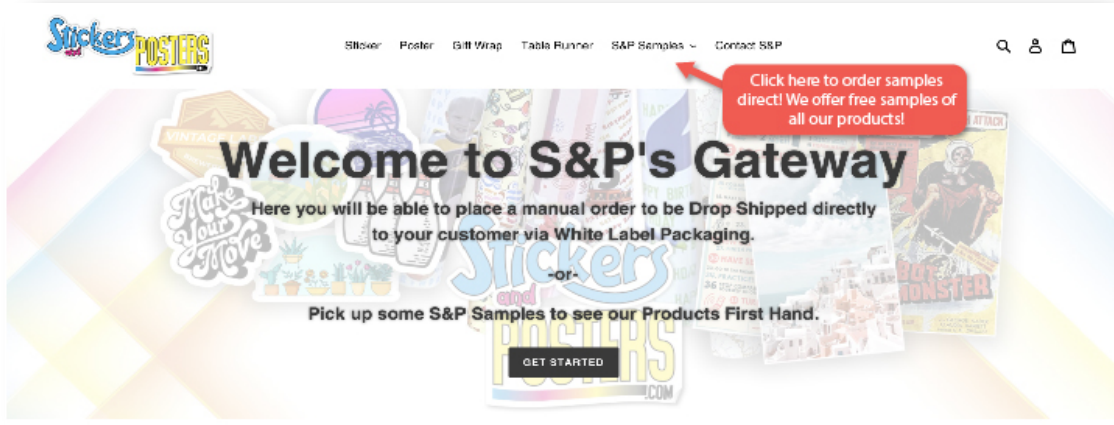

STEP FIVE: Repeat the process for all other products you wish to create! Each product category features dropdown menus for the available selections. Once you have selected your desired specifications, enter the quantity, upload your image, and "ADD TO CART!"

It's that easy!

STEP SIX:

If you would like to order S&P Samples, simply make your selections using the drop-down menu in the top bar navigation – “S&P Samples.” We offer a variety of stickers, posters, and gift wrap samples at no cost!

Once you have made your selections, "ADD TO CART!" Your free samples will be added to your shopping cart and you can purchase with your custom products OR simply pay shipping and receive them gratis!

COMPLETE YOUR ORDER

Once you have finished adding your products, click on the Cart icon to review your order.

Once you're happy with your selections, simply follow the directions to CHECK OUT!

Our shopping cart gives you the option to pay via debit card, credit card, Google Pay, or PayPal.

Please note: Custom stickers and posters are generally produced and shipped within 1 to 2 business days from the receipt of order. Short-run and customized gift wrapping paper and table runners are printed and shipped in under 4 business days.

StickersAndPosters.com will ship directly to the address entered in the Shipping Address fields. We are not responsible for products that are sent to an incorrect address. If planning to drop ship directly to your customers, please be sure to double check that your customer orders and shipping address are correct. We are also not responsible for Items Lost and/or Damaged while in transit.
